* izmēru atkarīgs no iebūvējamās nišas izmēriem dabā. Precīzēt objektā.
Izmēri ar zvaigznīti var mainīties. Pārējie – kā norādīts rasējumā.
Paredzēti 2 šādi skapji - 3.stāvā un 4.stāvā.

The final dimensions depend on the actual measurements of the built-in niches on-site.
To be verified on-site.Dimensions marked with an asterisk (*) are subject to change. All other dimensions are as indicated in the drawing. A total of 2 such cabinets are required – one for the 3rd floor and one for the 4th floor.

On-site measurements have been completed. The height fits, including a 20mm safety margin (clearance). Total length: 8750 mm.
